

Dear member:

Thank you for your interest in the Gas Mileage Reimbursement (GMR) Program. A GMR driver can be paid back for driving you to your health care appointments. This packet has the information the driver must give to SafeRide Health. Please see the Sign-Up Checklist for a list of items the driver must provide. These items must be approved by the state before the driver can take any trips.

A GMR driver can be either:

- **Yourself or a family member (self):** If you are a Medicaid/Medicare member, you can drive yourself to a health care appointment. A family member can also take you to your appointment.
- **Someone else (other):** You can also be driven by someone who isn't a family member.

The driver must pick "Self" or "Other" on the GMR Driver Information Page.

The required information must only apply to the person who will be driving.

All required items should be sent via mail, email or fax to:

Mailing address: 18302 Talavera Ridge, Suite 300
San Antonio, TX 78257

Email address: caresource_driver@saferridehealth.com

Fax: 888-432-0026

Please remember to call SafeRide Health at 888-583-1093 to book trips in our system. You need to do this before your driver takes you to any appointments. You can get claim forms by mailing, emailing, or faxing SafeRide Health. The form can also be found at <https://www.saferridehealth.com/caresource>. Your driver should use this form to ask for payment. Please make copies of this form for future trips.

If you have any questions about this process, please call 888-583-1093. Sincerely,

SafeRide Health

Terms and Condition of Participation

1. The application must be approved before a GMR driver gives the member a ride. Each ride must be approved by SafeRide Health. The member should call 888-583-1093 for approval before the trip. The GMR driver can not be paid if the ride is not approved beforehand.
2. The driver must have a valid driver's license on file.
3. SafeRide Health sets mileage payments based on the shortest distance of the trip. This rate is based on the mileage rate when the ride happens. It is not based on the number of members who are given a ride.
4. The member and their care provider must sign the GMR Service Record (Claim Form). The Claim Form must be complete with all required information.
5. Each claim must be turned in within 90 days from the trip.

I confirm that I have read the terms and conditions to participate as a Gas Mileage Reimbursement program driver. I swear that the information provided in this application is true and correct. I understand that I must comply with the terms and conditions stated here. I understand I must keep documents to support mileage reimbursement claims. I also understand that UnitedHealthcare or SafeRide Health can request and validate documents to support mileage reimbursement claims.
