

Dear Recipient:

Thank you for your interest in using an Individual Transportation Participant (ITP). An ITP can be reimbursed for driving you to your health care appointments. The enclosed enrollment packet includes the documents the ITP must submit to Saferide. Refer to the ITP Enrollment Checklist for a list of required items. These items must be processed and approved by the state of Texas. The ITP cannot take any trips until the items are approved.

- ITP (Other): An individual who transports non-family member Medicaid clients to a health care appointment using a personal vehicle; these individuals must undergo a Criminal History check

The ITP must show on the ITP Information Page if they are applying as “Self” or “Other.” **The required information must only be provided for the person who will be driving.**

Completed documents and other required items should be submitted via mail, email or fax to:

Terms and Condition of Participation

1. Before an ITP drives a member, the application must be processed and approved. Once the application process is complete, the member must get approval for the ride from SafeRide Health. The member must call 855-932-2318 to get this approval prior to the trip otherwise the ITP will not get paid.
2. The ITP must maintain a current and valid driver's license, vehicle insurance, vehicle inspection and vehicle registration during each ride.
3. ITP drivers are limited to a total of 10 non-related members to drive for mileage reimbursement under the ITP program. If all the members assigned are directly related family members, the number may exceed 10 but not to exceed 15 total.
4. The mileage reimbursement (payment) amount is based on a mileage calculation computed by SafeRide Health using a nationally recognized system of the shortest distance of the trip and not on the number of members who are given a ride. The ITP will be paid based on the determined mileage at the vehicle mile rate set by the Texas Legislature for state employees that is in effect at the time of the ride.
5. The member must have the doctor sign the ITP Service Record (Claim Form) and the ITP must sign the ITP Service Record (Claim Form). The claim form must be complete with all required information. (An example is sent with the claim forms.)
6. The claim form must be submitted within 95 days from the date of the ride.

Attestation:

I attest that I have read the terms and conditions of participation as an Individual Transportation Participant (ITP) and that the information provided in this application is true and correct. I understand that I must comply with the terms and conditions of participation and maintain documentation to support any mileage reimbursement claim and that Superior Health or SafeRide Health reserves the right to request and validate documentation being relied upon to support mileage reimbursement claims.
